

Accessibility Statement

The Badwell Ash website is run by Badwell Ash Parish Council. We want as many people as possible to be able to use it. For example, that means you should be able to:

- Change colours, contrast levels and fonts using your browser or device settings
- Zoom in up to 300% without the text spilling off the screen
- Navigate most of the website using just a keyboard
- Navigate most of the website using speech recognition software
- Listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

How Accessible This Website Is

We know some parts of this website are not fully accessible:

- Some older PDFs may not be fully readable by screen readers
- Some images may lack descriptive alt text
- Some third-party content (e.g. embedded maps or videos) may not meet full accessibility standards

What We're Doing to Improve

We are committed to improving accessibility. Our current actions include:

- Migrating to a .gov.uk domain with accessibility-first design
- Ensuring all new documents are screen-reader friendly and machine-readable
- Providing training to councillors and staff on digital accessibility
- Conducting annual accessibility audits and user testing
